2025 Northwest Mountains and Coast

Packing List

Below you will find the packing list for our *Northwest Mountains and Coast* (NWMC) trip. As always, please be in touch with any questions about the items on this list, where to find them, or packing questions.

Please review our [Gear Recommendations](#) blog post with our more specific recommendations for many of the items on the packing list.

Hiking Essentials

- ❑ **Sturdy, well-broken-in hiking boots or hiking shoes** (*not running or basketball shoes – see our blog on [hiking footwear](#) if you have questions about what is appropriate.*)
- ❑ **Day pack** (*25-35 liters or 1600-2200 cubic inches – most school backpacks are within this range and will work well*)
- ❑ **Medium to large duffel bag** (*soft-sided, 90-120 liters – this will act as a storage locker. A hard-bottomed, rolling duffel is fine.*)
- ❑ **Safety whistle with lanyard** (*to wear around your neck*) – *The whistle that is connected to many backpacks' sternum strap is not sufficient – you will need a separate whistle that can be carried with you at all times.*

Optional

- ❑ 2.5- to 3-liter hydration reservoir (*just the reservoir to be inserted into backpack*)
- ❑ Telescoping hiking poles (*only recommended for anyone with a history of knee or ankle injuries*)

Clothing Essentials

Please take the warm layers listed below seriously – it can get chilly in the evenings

- ❑ 5-6 Pairs of underwear, 3-4 sports bras (*as necessary*)
- ❑ 5-6 Pairs of socks (*synthetic or wool blend socks – do not bring cotton*)
- ❑ 3-4 Hiking shirts (*synthetic/non-cotton and at least one long sleeve*)
- ❑ 1-2 Shirts for wearing around camp (*can be cotton and short or long sleeve*)
- ❑ 3 Pairs of shorts (*synthetic - not heavy, cotton cargo shorts*)
- ❑ 1 Pair of leggings or lightweight, synthetic pants
- ❑ 1 Wool or synthetic long underwear top and bottom (*medium weight, long sleeve*)
- ❑ 1 Medium-weight fleece jacket, pullover, or synthetic hooded sweatshirt
- ❑ 1 Medium-weight, down or synthetic fill, packable, insulating jacket
- ❑ 1 Weatherproof shell jacket (*should be made of coated nylon, Gore-Tex, H2NO, or some other wind- and waterproof material*) – *Note that **water resistant** is not **waterproof**; water resistant is insufficient.*
- ❑ 1 Quick-drying swimsuit
- ❑ 1 Fleece or wool hat
- ❑ 1 Pair of lightweight sport sandals with heel strap for around camp, swimming, and kayaking
- ❑ 1 Baseball cap or sun hat

Optional

- ❑ 1 Pair of sneakers for around camp, community service, and exploring towns

- ❑ 2 One-liter plastic or stainless steel water bottles
- ❑ Tupperware/Rubbermaid/plastic bowl (*6" to 8"*) with lid and cutlery (*will serve as a plate and bowl*)

- ❑ Lip balm (*with sun protection*)
- ❑ 1-2 packs of Moleskin blister prevention pads
- ❑ Sunglasses with leash
- ❑ Extra pair of glasses/contacts (*as applicable*)

Optional

- ❑ Sun block & insect repellent (*leaders will have group sun block and bug spray, but students are welcome to bring a small, personal bottle if they would prefer*)

Other Essentials

- ❑ Spending money for souvenirs, showers, and laundry (*we recommend no more than \$100 for the trip – trip leaders will designate appropriate times to use personal spending money. Please bring \$10 of the money in quarters for showers and laundry*)

Optional

- ❑ Disposable or digital camera with charger (*please do not plan to use a cell phone as a camera*)
- ❑ Journal and pencil/pen
- ❑ Book for reading (*paperback recommended*)

Just as important as what your child packs, we also want to specifically address items your child *should not* bring with them to their Apogee experience. **Please do not pack the following:**

- ❑ **Smart watches, Kindles, video games, or other electronic devices.** A cell phone is permitted for students traveling to the trip start by airplane, bus, or train but must be handed over to leaders upon arrival. If a student brings a cell phone or other electronic device, Apogee is not responsible for its damage or loss under any circumstances. *Please see our “Electronics and Personal Property Policy” document for more information.*
- ❑ **Bulky cotton items like sweatpants or denim clothing such as jeans.** They are heavy, take a long time to dry when wet, and can be dangerous in cold weather. Synthetic clothing is much more practical. It wicks moisture away in hot conditions and keeps you cool. In cold, wet conditions it will keep you dry and warm.
- ❑ **Knives or multi-tools of any kind.**
- ❑ **More than is suggested on the packing list.** Through years of experience, we feel confident that we recommend sufficient gear and clothing while minimizing unnecessary items. In general, students will have an opportunity to do laundry once per week while on trip.

Packing Instructions

Packing Instructions:

1. Please label everything with your child's name
2. Please pack your child's belongings into the duffel.
3. This trip is van-supported - meaning that students will be transported from point to point in a van. Your child will keep their belongings in their duffel bag over the course of the trip, packing items into their day pack as needed for daily access during activities.
4. **If your child is flying:**
 - Please pack the backpack, detailed on the Packing List, with a change of clothes, any important medication, and a water bottle. The backpack will act as their primary carry-on item on the plane.
 - Students should carry-on their sleeping bag (as a personal item). We ask this so that your child has something to sleep in if their bag does not arrive on time. *Optional:* If you'd also like to carry on your sleeping pad, you can tape your sleeping pad and bag together (so that they only count as one carry-on item).
 - Students should wear their hiking boots for plane travel.
 - Everything else should be packed in the duffel and the duffel should be checked.
